

MISSION REPORT

We are living in challenging times, but the work of the Lord must go on. Believers in the Lord Jesus Christ must be strong in the Lord and trust the Holy Spirit for victory.

***He which hath begun a good work in you will perform it until the day of Jesus Christ.
Philippians 1:6***

The COVID-19 pandemic has been a hindrance to the work of the Lord and to construction of the Mission House. There have been setbacks in finishing the storage room and the Bible School Room extension.

Storage room completed, except for painting.

An incomplete extension of the Bible School Room.

GOOD NEWS! NEW MISSION OUTPOST

Just before the crisis we were able to set up another Mission Outpost. The new outpost is located at the junction where the Aruka and Korabo rivers meet.

Pictured here are a preacher, song leader and photographer with the rest of the team sitting at the front of the boat for balancing. Not taking heed to balancing a boat has resulted in boats sinking and many lives lost, becoming victims of the deep dangerous rivers with their fierce current. The group is travelling up the river to the new outpost. Prayers are needed for these ventures.

Meeting to discuss setting up the ministry at the new outpost. WOF Ministries was invited to launch the ministry in the area.

First service at the new mission outpost with approximately fifty people in attendance.

COMPLETING THE MISSION HOUSE

Completion of the Mission House is still a high priority. The Mission House will be used to facilitate the Bible School programs and Seminars. These efforts with the help of the Lord will produce effective ministers to carry the Gospel of Jesus Christ to the jungles of Guyana.

\$20,000 Canadian is needed to complete the building and refurbish the quarter acre fence on the property. We are believing God for 20 persons to donate one thousand dollars each. This can be done in a lump sum or by post dated cheques.
