

Dear Friends,

We are grateful for your prayers and support for the Guyana missions. Amidst the Covid restrictions we were able to accomplish much with the help of the Lord.

### The Mission House

The extension of the Bible School is now complete. We are working on the wiring and tiling of the four bathrooms. The ceiling work of the upper level and painting of the building is expected to be completed in the New Year.

### Church on the Riverbank

The construction of the church building is well underway. The walls, windows and steps are yet to be completed.

The building will be open for service by December 31, 2021.

Thanks for your support!
